

Use our handy Drop and Run!

- Leave your items anytime we are open.
- We will look at your items overnight.
- “No thank you’s” to be picked up the next day when you come in to sign your Consignment Agreement.
- The handy Drop and Run slip we’ve provided must be attached to every container or bag.

All items will not be placed on the sales floor without a signed Consignment Agreement. Large furniture items need to be pre-approved by a photo sent to our email:
