

Heirloom Consignment

Are you downsizing, combining households or just cleaning house?

Pick out your gently-used quality home furnishings & bring them* to Heirloom Consignment!

Here's how to become a valued consigner:

Select gently worn, clean furnishings. Make sure wood is shiny, upholstery vacuumed and glass is sparkling. The better it looks, the more you'll make!

Modern upholstered furniture should be 3-7 years old and in great shape.

Our "Drop & Run" system will save you time and effort. Drop off boxes, we'll select what we want and you'll pick up the "no thank you-s" at a later date.

Heirloom Consignments sets the price. When an item sells, you receive ONE-HALF of the selling price.

Stop in anytime for ANY MONEY YOU'VE MADE. If you cannot come in, drop off a self-addressed stamped envelope and we'll send your check for amounts over \$25.00.

In addition to all types of quality home furnishings, we can sell for you:

* Decor Items * Some Vintage Items * Lamps * Modern Jewelry * Artwork
